

WOMEN FOR HEALTH (W4H) INVITATION FOR PRE-QUALIFICATION OF CONTRACTORS

1. INTRODUCTION

The UK aid-funded Women for health (W4H) programme has been working since November 2012 to improve the number and capacity of female health workers in five states in Northern Nigeria (Kano, Kastina, Jigawa, Zamfara and Yobe). With the extension phase of the programme in November 2017, W4H will continue to increase the physical, management and teaching capacity of the health training
